Below is a polished full English description based strictly on the specifications and equipment provided.

Audi RS Q3 Sportback quattro S tronic

Vehicle Description

The **Audi RS Q3 Sportback quattro S tronic** combines high-performance driving dynamics with the distinctive design and everyday versatility of a sporty SUV coupé. With **400 PS (294 kW)**, quattro all-wheel drive and a 7-speed S tronic transmission, this RS Q3 Sportback delivers a dynamic and engaging driving experience.

The exterior is enhanced by a range of RS-specific details, including the **gloss black Audi rings and lettering**, black gloss exterior styling elements, **21-inch black alloy wheels**, red RS brake calipers and an RS sports exhaust system. The darkened Matrix LED headlights with dynamic indicators further emphasise its distinctive appearance.

Inside, the sporty character continues with **RS sports seats in fine Nappa leather with honeycomb stitching**, electrically adjustable and heated front seats, an RS sports contour leather steering wheel with multifunction controls and shift paddles, and a black headliner. Carbon twill decorative inlays and the red RS Design Package add further visual highlights.

The technology and infotainment equipment includes **Audi virtual cockpit plus**, MMI Navigation Plus with MMI touch, Audi Smartphone Interface, Audi Phone Box and a **Bang & Olufsen Premium Sound System with 3D sound**. The multifunctional connectivity features are complemented by Audi connect Navigation & Infotainment plus and Audi connect Remote & Control.

A comprehensive selection of driver assistance systems is also included, such as the **adaptive cruise assist**, lane guidance, emergency assist, high-beam assist, Audi pre sense front, reversing camera and parking system plus.

With **28,500 km**, the Audi RS Q3 Sportback presents a compelling combination of performance, technology, sporty design and premium everyday comfort.
