Description

This Bavaria FIAT Fjord T731-L is a well-designed and comfortable motorhome, offering the perfect balance between practicality, space, and reliable performance. Built on a robust AL-KO chassis with double floor construction, it ensures excellent stability, insulation, and year-round usability.

With a total length of 7.33 meters, a width of 2.30 meters, and a height of 2.85 meters, this motorhome provides a spacious yet easy-to-handle driving experience. Powered by a 2.3L diesel engine delivering 150 HP and paired with a manual transmission, it offers efficient and dependable performance.

The interior is thoughtfully arranged for 4 travel seats and 3 sleeping places, including a comfortable queen-size double bed and an additional single bed, making it ideal for couples or small families.

Designed for comfort and convenience, the vehicle features:

Truma Combi heating system for warmth and hot water

Spacious bathroom with shower

XXL refrigerator with freezer compartment

Fully equipped kitchen with gas stove and extractor hood

Practical double-floor storage solutions

Driving and usability are enhanced by:

Rear-view camera

Cruise control

Power steering and electric windows

Bluetooth connectivity

Bike rack and exterior awning

Additional highlights include:

Shurflo Trail King pressure water pump (7L/min)

Electric gas safety valve (Heatec GV200)

Multiple storage compartments throughout

Reliable safety systems including ABS, ESP, and airbags

This Bavaria Fjord T731-L is a great choice for those seeking a reliable, spacious, and comfortable motorhome, ready for both weekend getaways and extended journeys.
