Description

Ford Transit Custom Passenger (5 Seats) L1 H2 ? Camper Conversion ? Automatic

Offered for sale is a Ford Transit Custom Passenger L1 H2, first registered in 2019, powered by a 130 HP diesel engine and equipped with an automatic transmission. The vehicle has valid T?V until 07/2026 and comes factory-equipped with a second battery and a parking heater, making it an excellent choice for travel, leisure, and everyday versatility.

This vehicle has been professionally converted into a compact camper and combines practical comfort with a flexible interior concept. It is equally suitable as a daily driver, family vehicle, or travel-ready camper van.

Camper conversion

- Stable pull-out metal bed, approx. 200 x 140 cm
- Fully insulated interior
- Side cabinet and pull-out storage cabinet
- Swiveling front passenger seat
- Compact water tank with sink

- Foldable table
- Window insulation covers and curtains
- Heavy-duty drawers under the bed

Summer setup

- Mosquito nets
- Ventilation options for driver and passenger windows
- Rear ventilation system

Flexible interior concept

- Bed and cabinets can be completely removed
- Usable with 5 seats
- Usable with 3 seats and camper setup
- Can also be configured as a full camper with the rear seats removed
