Description

LAND ROVER Range Rover Sport 575 5.0 V8 S/C SVR Carbon Automatic - 575 PS

Performance · Luxury · Exclusive Carbon Design

A distinctive SUV with impressive V8 performance

The Land Rover Range Rover Sport SVR Carbon combines exceptional performance, sophisticated luxury and an unmistakable sporting character. Powered by a supercharged 5.0-litre V8 engine delivering 575 PS (423 kW), this impressive SUV offers a compelling blend of power, comfort and versatility.

The 8-speed automatic transmission and all-wheel-drive system complement its powerful engine, while the exclusive SVR Carbon design adds a distinctive and dynamic appearance.

Finished in elegant black with a striking red interior, this Range Rover Sport stands out with its exclusive carbon-fibre details, sporty proportions and premium equipment.

Engine and driving dynamics

At the heart of this Range Rover Sport is a supercharged 5.0-litre V8 petrol engine with a displacement of 4,999 cm³ and eight cylinders arranged in a V configuration.

With an output of 575 PS (423 kW), the engine is paired with an 8-speed automatic transmission and an all-wheel-drive system.

The electronically controlled SVR sports air suspension with Dynamic Response, Adaptive Dynamics and Terrain Response 2 contribute to its dynamic driving character and versatility across different driving conditions.

Performance and drivetrain highlights:

- Supercharged 5.0-litre V8 engine
- 575 PS (423 kW)
- 8-speed automatic transmission
- All-wheel drive
- SVR sports suspension with Dynamic Response

- Adaptive Dynamics suspension system
- Terrain Response 2 with Dynamic Mode
- Configurable Dynamic Mode
- Active differential with Torque Vectoring

Exterior - Exclusive SVR Carbon design

The black exterior gives this Range Rover Sport a commanding and sophisticated appearance. Exclusive carbon-fibre elements underline its performance-oriented character and distinguish the SVR Carbon from other models in the range.

The combination of the black bodywork, carbon-fibre details and sporty design creates a particularly striking overall appearance.

Exterior highlights:

- SVR Carbon exterior package with carbon-fibre bonnet air vents
- Gloss carbon-fibre bonnet with exposed centre section
- Extended carbon-fibre detailing
- 22-inch gloss black alloy wheels with five twin-spoke design (Style 5083)
- Panoramic sliding roof with electric sunblind
- Pixel LED headlights with distinctive LED signature
- Electrically folding and heated exterior mirrors with memory function
- Electrically operated tailgate
- SVR-specific red brake calipers
- Black roof finish

Interior - Sporty elegance and premium comfort

The interior combines the sporting character of the SVR with premium materials and a carefully designed cabin environment.

The red interior creates a striking contrast with the black exterior, while the SVR Performance seats, extended leather upholstery and carbon-fibre trim enhance the exclusive atmosphere.

Interior highlights:

- SVR Performance seats
- Extended leather upgrade
- Heated front and rear seats
- Heated multifunction leather steering wheel
- Electrically adjustable steering column
- Four-zone automatic climate control
- Heated windscreen
- Premium carpet mats

- Configurable ambient interior lighting
- Illuminated stainless-steel door sill plates with Range Rover lettering
- Aluminium sports pedals
- Front centre console cooler compartment
- Premium headlining

Comfort and convenience

Designed to deliver comfort in everyday use and on longer journeys, this Range Rover Sport offers a comprehensive selection of convenience features.

The four-zone automatic climate control allows individual temperature settings for different areas of the cabin. The auxiliary heating with timer and remote control provides additional comfort, while the panoramic sliding roof enhances the sense of space and openness.

Comfort features include:

- Four-zone automatic climate control
- Auxiliary heating with timer and remote control
- Heated multifunction steering wheel
- Heated front and rear seats
- Panoramic sliding roof with electric sunblind
- Electrically adjustable steering column
- Keyless entry
- Electrically operated tailgate
- Automatic dimming interior mirror
- Heated windscreen
- Front centre console cooler compartment
- Electrically folding and heated exterior mirrors

Driver assistance and safety

A comprehensive range of driver assistance systems supports the driver in everyday traffic and when manoeuvring.

The vehicle is equipped with modern assistance technologies designed to enhance convenience and support awareness of the surrounding environment.

Driver assistance and safety features:

- Adaptive cruise control with steering assist
- Autonomous Emergency Braking (AEB)
- Lane keeping assist
- Blind Spot Assist with approach monitoring
- Blind Spot Monitoring
- Rear collision warning

- 360-degree parking assistance
- Surround camera system
- Parking Assist
- Traffic sign recognition with adaptive speed limiter
- Driver attention monitoring system
- Electronic Stability Programme (ESP)
- Anti-lock braking system (ABS)
- Rear-view camera
- Door-opening warning for approaching traffic

Infotainment and connectivity

The Range Rover Sport SVR Carbon features a premium infotainment system designed to keep occupants connected and entertained.

The Meridian Surround sound system delivers high-quality audio, while smartphone integration and digital radio provide convenient access to entertainment and connectivity functions.

Infotainment highlights:

- Meridian Surround sound system with 825 watts and 17 speakers, including subwoofer
- Apple CarPlay
- Android Auto
- Digital radio reception (DAB/DAB+)
- Pro Services and Wi-Fi hotspot
- Remote Premium
- CD/DVD player
