Description

Mercedes-Benz Vito Marco Polo Activity 4MATIC – Full Description

The Mercedes-Benz Vito Marco Polo Activity 4MATIC combines all-wheel drive, versatile camper functionality, and everyday comfort. Designed for both everyday use and travel, this versatile vehicle offers practical features and a comfortable interior for enjoyable journeys and outdoor adventures.

The vehicle features an electrically operated pop-up roof with an integrated roof bed, a three-seat rear bench that converts into a comfortable sleeping area, and swivelling driver and front passenger seats. Additional comfort features include auxiliary heating, heated front seats, an electrically operated glass sliding and tilting roof, and electrically opening rear side windows in the passenger compartment.

Practical details include a folding table mounted on a rail with integrated cup holders, a sleeping pad, and lashing rings for the seat rails. The vehicle is also equipped with electrically adjustable, heated, and folding exterior mirrors, cruise control, and a rough-road suspension configuration.
